Hot Beverage
Product Line

A Cup for Every Blend

International Paper produces a full line of paper cups, lids, sleeves and cup carriers for operators serving hot beverages. We offer a wide range of products that support our customer from operational efficiencies with our Hold&Go® insulated cup to sustainability initiative support with our ecotainer® brand. Our single-use products come in several stock designs, or in a custom print for brand enhancement. Hot cups manufactured by International Paper meet Sustainable Forestry Initiative® (SFI®) standards, ensuring that the fiber used comes from responsibly managed forests.
